

ASSEMBLY BILL

No. 913

Introduced by Assembly Member Santiago

February 26, 2015

An act to amend Section 67381 of the Education Code, relating to student safety.

LEGISLATIVE COUNSEL'S DIGEST

AB 913, as introduced, Santiago. Student safety.

The Kristin Smart Campus Safety Act of 1998 requires the governing boards of each community college district, the Trustees of the California State University, the Regents of the University of California, and the governing boards of independent postsecondary institutions, as defined, to adopt rules requiring each of their respective campuses to enter into a written agreement with local law enforcement agencies relating to certain violent crimes. These agreements are required to designate the law enforcement agency that will have operational responsibility for the investigation of these crimes. Existing law provides that these provisions do not apply to the University of California except to the extent that the regents, by appropriate resolution, make the provisions applicable.

This bill would require these written agreements to designate the law enforcement agency that will have operational responsibility for the investigation of each sexual assault and hate crime, as defined. The bill would also require these written agreements to be updated and made available to the public by July 1, 2016, and every 5 years thereafter. By expanding the duties of community college districts and local law enforcement agencies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: yes.

The people of the State of California do enact as follows:

1 SECTION 1. Section 67381 of the Education Code is amended
2 to read:

7 4 of Title 2 of the Government Code.
